

Dear OSSN Area Director:

We are very pleased that we have partnered with OSSN again this year. And we're coming to your area to hold our Reception/Mini-Trade Shows. We look forward to your participation.

- Your chapter gets a **complimentary** table (a \$695 value per show) at the shows in your area. I'm attaching a signup sheet for your chapter (the link is listed below too).
- As it is **very important** to get a good OSSN turnout please ask your members to join us. The link to full information about the shows and to the invitation (so members may register) is listed below.
- For your **Allied OSSN Members** (and **other suppliers** that you work with) we offer them very **special exhibitor rate** for our shows-Only \$399 per show (a 40% discount from the regular rate of \$695). I'm attaching the special OSSN Exhibitor Application that you can distribute to your allied members and other suppliers that might wish to take advantage of this opportunity. I have also created an OSSN Allied page on our site (see below). This has links to the Exhibitor Application and to the special OSSN online payment function.

Here are the Special OSSN links to our shows:
